

STAGEPLAN

Notes

1. Alex (Keys): running Logic Mainstage

- Keystation 61
- Requires boom mic stand and vocal mic

2. Johnny: Acoustic drums- plays to click via Samson headphone amp via Focusrite soundcard (output 3/4)

3. Fitz: Bass rig plus FX stomp box (DI)

4. Ravi runs Mainstage and Akai Midi Trigger pad - with an external Focusrite Scarlett 24 soundcard and Macbook Pro (stereo/mono DI to sound desk – output 1/2)

5. Ni Uses Sennheiser wireless mic and LD systems in ear monitoring Freq: 8823-865mhz (feed through desk) – requires straight mic stand

- Also runs guitars through Voicelive 3 FX unit

6. Junior (occasional second vox) requires straight stand.

We a happy to share backline (drum kit and bass amp) if necessary, re changeovers.
